The screenshot shows the 'New Lightning App' configuration page in Salesforce. The 'App Details & Branding' section is the active tab. Under 'App Details', the 'App Name' is 'school management', the 'Developer Name' is 'school_management', and the 'Description' field is empty with the placeholder 'Enter a description...'. Under 'App Branding', there is an 'Image' upload area with an 'Upload' button and a 'Primary Color Hex Value' of '#0070D2'. A progress bar at the bottom shows the first step is complete, and a 'Next' button is available.
